OCTOBER LIGHT MONTH.

According to the monthly report of
the city magistrate, Frank B. Thom-
as, high will be filed with the city
council, the police court business last
month was comparatively light. Here
before disorderly house charges and
gambling raids have brought the total
up to a large sum. Last month the
behavior of Bisbee people in general
was considerably improved.ORIGINAL BISBEE TOMBSTONE

THE YOUNGSTERS BUSY.

Though the city officers were espe-
cially vigilant last evening and dur-
ing the night, the youngsters of Bis-
bee and the Warren District were
more so. Householders this morning
in a number of cases, will find their
gates on telephone poles and in some
cases still on the same spot as the day
before. On the whole, however, the
mischief done was light in compari-
son to previous years.Few uncalled for suits, \$20. Millard

COUNTY OFFICERS BUSY.

Judge Totman, in justice of the
peace court yesterday, assessed four
fines for speeding on the county roads.
The arrests were made by the three
motorcycle officers now patrolling the
highways in and around the Warren
District. Allen Sleight was fined \$10
for speeding between Don Luis and
Lowell; Ed Gray paid a \$10 fine for
speeding on Naco Road; Lucas Bare-
la paid a \$10 fine for speeding be-
tween Forest Station and Forest
Ranch, and C. A. Downard paid a \$10
assessment for speeding between Don
Luis and Lowell. As a result of the
work of the motorcycle officers traf-
fic conditions in the District have
been remarkably improved in the last
few days.

MORE BETS MADE.

Several bets of \$100 and over are
reported in the city on even terms.
Wilson and Hughes money is plenti-
ful though in some cases the connec-
tion is hard to make. From present
appearance it would seem that before
election day the odds will favor the
Democratic nominee in the Warren
District.ORPHEUM THEATRE

SCOTTY KERNAN BACK.

Scotty Kernan, the "fighting Scotch-
man" of Bisbee, who has been visiting
New York for the last six months, has
returned to the city and will re-en-
gage in work here. While coming
through the state of Kansas a straw
vote was taken on the train car, in
which he was riding, thirteen men
voted. The result was eleven for
Wilson and two for Hughes. G. O'Neill,
another Bisbeeite who has returned to
the District from a trip in the east,
reports that while coming through the
state of Iowa a straw vote was taken
on a railroad train and out of twenty
five votes twenty three were for Wil-
son.

George Powell, of Miami, after visit-
ing Bisbee for a day, has returned to

has been hunting for quail and deer
in the neighborhood of Benson for
several days, has returned to Bisbee

AMUSEMENTS.

From what is already definitely
known concerning William Wamsher's
latest New York musical comedy suc-
cess, "The Girl from the U. S. A.,"
it is a production of real consistency,
produced on the highest plane of mu-
sical comedy. It is perfectly within
reason to expect a splendid treat when
the large company plays this city.The performance has commenced
the outspoken good opinions of all
critics. Many have not hesitated to
proclaim it the most amazing and
most perfectly presented musical pro-
duction in years. It will show at the
Orpheum theatre Friday night, Novem-
ber 3.

BIG "Y" PARTY TONIGHT.

Costumes for those attending the
big "Y" party at 8 o'clock tonight are
needed, but not required, according to
the committeemen in charge. They
want all to come, regardless of "make-
up" as it promises to be the "biggest
and best" ever, as the circus bills al-
ways say. Every Y. M. boy and every
Y. W. girl and the friends of both are
urged to be present, and preferably, in
costume.

TOO MUCH MONEY!

Miss Edna Goodrich spent three
weeks and over three thousand feet
of film in tests working for perfection
of her make-up. This was for the
Morteco-Paramount photoplay, "The
Making of Maddalena," that is the at-
traction at the Royal theatre today.
Starting with a shade of face-paint a
little darker than her fair complexion
Miss Goodrich soon progressed
through several tests until the required
tint was secured. Then great artistrywas required to stimulate the Italian
type of beauty in the contour, eye
shading and character shadows of the
face. Three weeks were devoted to
this alone before a perfect result was
secured and the photoplay started.

WILL MEET TODAY.

The Women's League of the Presby-
terian Church will hold a meeting this
afternoon at the residence of Mrs.
Ralph E. Herendeen, on Quality Hill,
at 2:30. A large attendance is antici-
